

EVENT IN A BOX

Give your staff the gift of food and fun to take home.

These customizable kits, packed with all the supplies you need, are a creative way to show your staff appreciation this year. Employees enjoy food and activities while safe at home with their families. There are lots of opportunities to still connect everyone with your company and brand. We will work with you to create a variety of boxes that will appeal to all employees, with or without children at home.
