

HOLIDAY-THEMED EVENT IN A BOX

Celebrate the season with a festive gift of food and fun!

These customizable kits, packed with all the supplies you need, are a festive alternative to this year's company holiday party. Employees enjoy logoed gifts, seasonal food and holiday-themed activities while safe at home with their families. There are lots of opportunities to still connect everyone with your company and brand. We will work with you to create a variety of boxes that will appeal to all employees, with or without children at home.
