## EVENT IN A BOX

### Theme & Package Ideas

We hope these popular packages, at a variety of price points, inspire you to create a custom box for your employees.

These customizable kits, packed with all the supplies you need, are a creative way to show your staff appreciation this year. Employees enjoy food and activities while safe at home with their families. There are lots of opportunities to still connect everyone with your company and brand.

We will work with you to create a variety of boxes that will appeal to all employees, with or without children at home.

Every commemorative box order can be enhanced with post-distribution activities such as photo contests, box decorating contests and charitable giving by returning the boxes filled with donations.

Prices listed are based on a quantity of 500 boxes. Box pricing does not include delivery, shipping, or handling. Contact your Project Manager for a complete quote.
